# WHAT IS INTERNATIONAL BACCALAUREATE IB?

*The IB offers international education preparing students to be well informed citizens and critical thinkers. The curriculum is widely known and recognised among the world for its holistic and multidisciplinary approach to education.*

Acceptance rate of  
IB Students into Ivy League  
universities is upto 18% higher  
than the others.

# IBDP

*The flagship IBDP program is for high school students aged 16-19. It is a rigorous, multidisciplinary program that prepares students for college work.*

## Why Choose Tychr IBDP Module

**Personalised Classes**

**Step by step guidance  
for Internal Assessments**

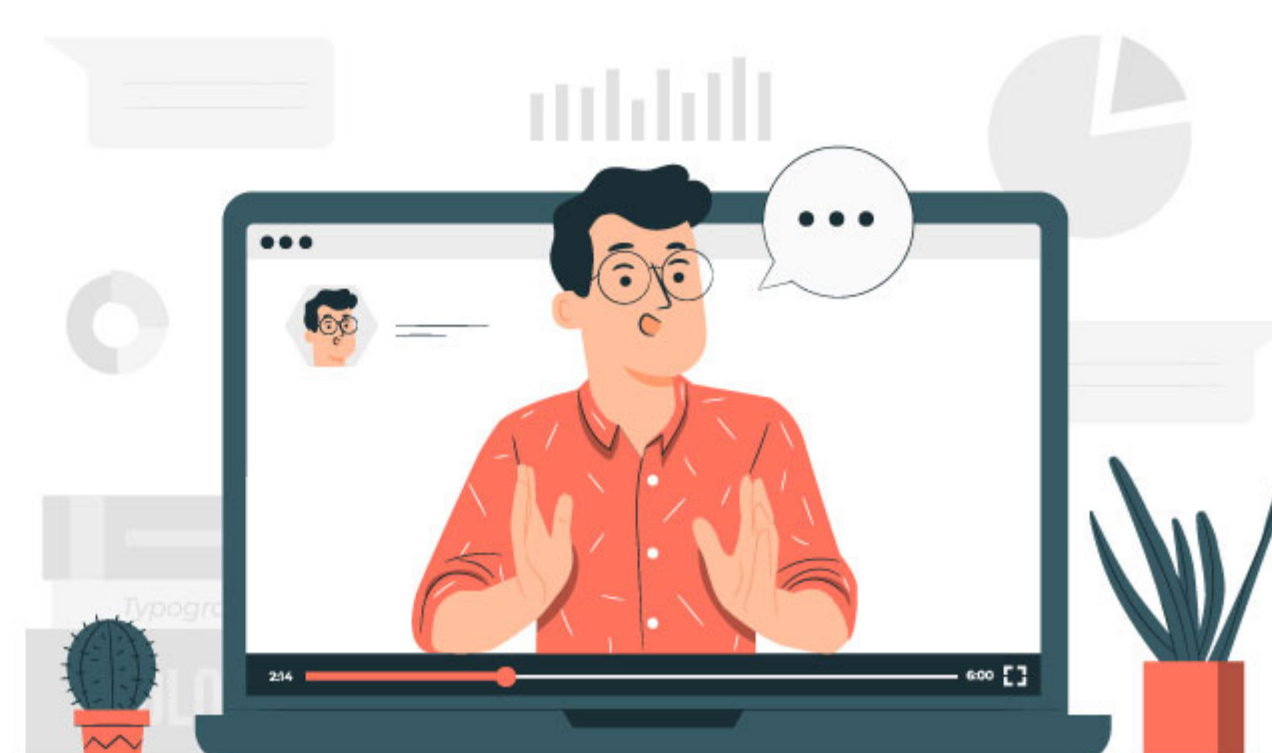

**Providing a plethora  
of ideas for CAS**

**Detailed instructions for  
the Extended Essay**

**Practising IB style past  
paper questions**

**One on one doubt  
clearing sessions**

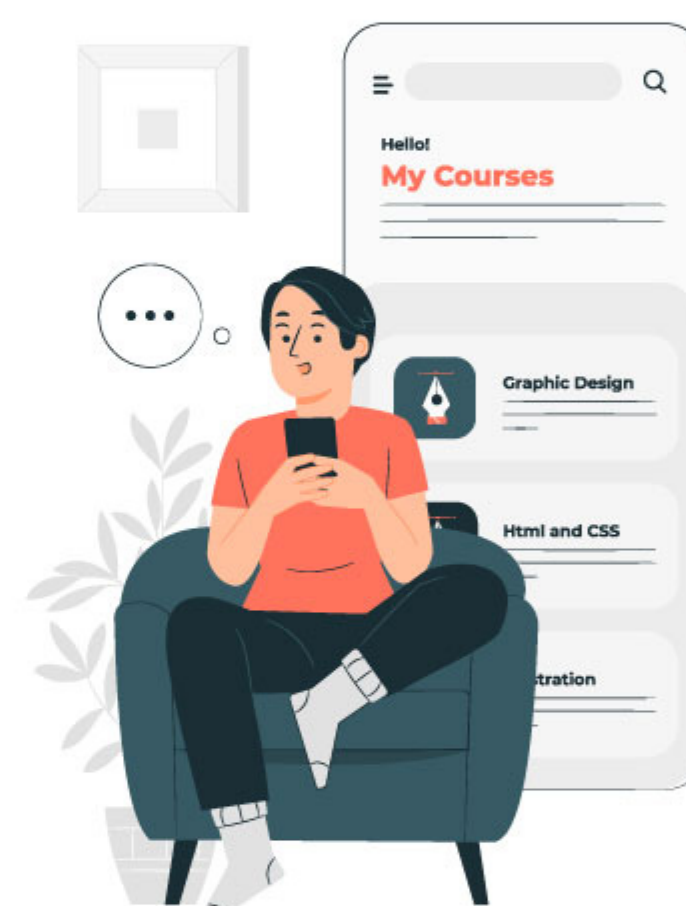

# IBMYP

*For 11-16-year-olds, the MYP is a five year program that introduces students to varied subject areas and asks them to connect their learning to the real world.*

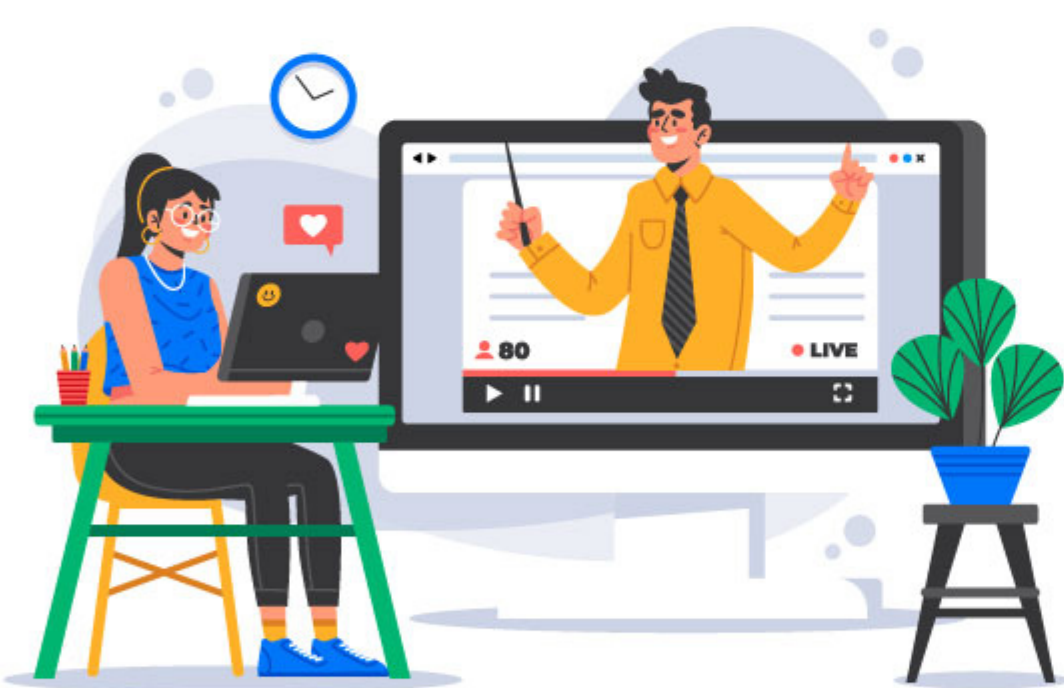

## Why Choose Tychr IBMYP Module

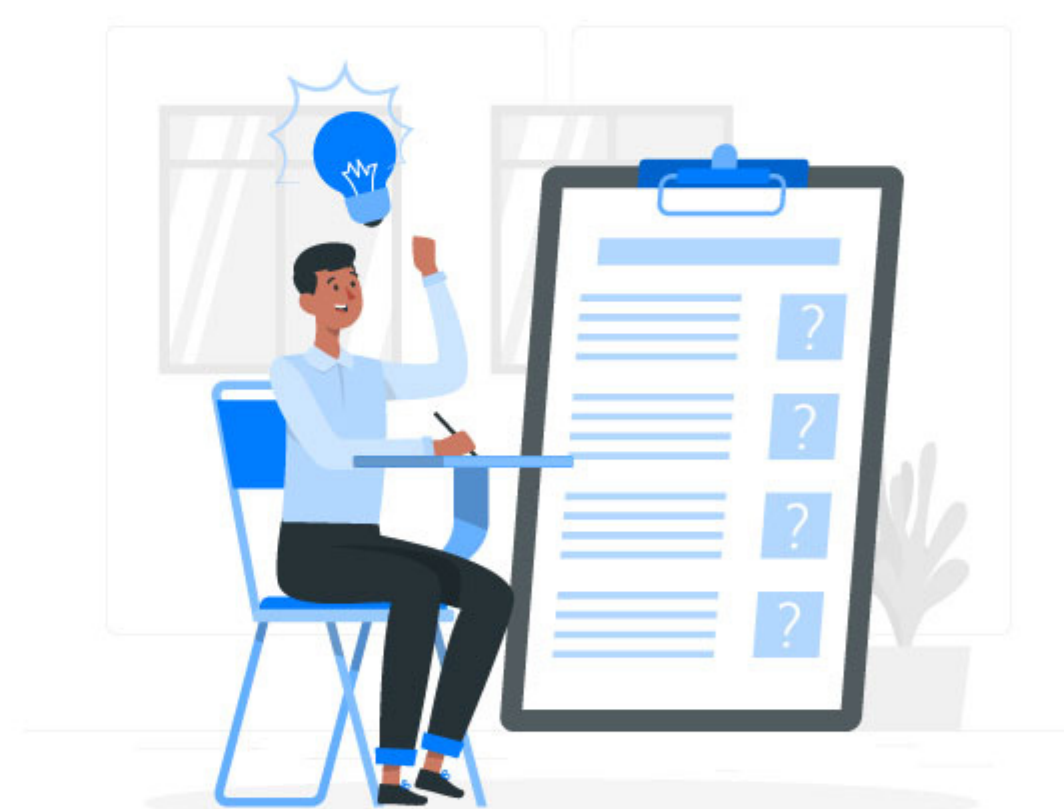

**Personalized  
tutoring sessions**

**Detailed guidelines to ace  
the IBMYP project**

**Timeline to balance studying  
and the project**

**Assignments according  
to IB MYP standards**

**Periodic tests to familiarise  
exam style questions**

**Group discussions  
to clarify doubts**

## A LEVELS

*The CAIE offers 55 A-Levels subjects, in almost any combination. A renowned international qualification that requires creative thinking, inquiry, and problem-solving skills similar to those offered by our online tuitions. If you choose, you may also give the entire A-Level unit together at the end of your 2-year course.*

## IGCSE

*The CAIE offers 70 IGCSE subjects, in any combination, in over 30 different languages. A renowned international qualification aimed at ages 14-16 requires creative thinking, inquiry, and problem-solving skills similar to those offered by our online tuitions. The Core curriculum focuses on building the foundation for the subject. Meanwhile, the Extended curriculum has been designed for providing extensive knowledge on the subject.*

### Why Choose Tychr IGCSE Module

- ☒ **Experienced tutors**
- ☒ **Developing problem solving skills**
- ☒ **Practising IGCSE style past paper questions**
- ☒ **Collaborative classes to revise concepts**
- ☒ **Guidance for exam techniques**
- ☒ **Prepping students for university**

## WHAT IS SAT?

*The SAT is a standardized test used by American universities to assess students' readiness for college. It is developed and published by the College Board. The SAT is designed to test fundamental math, reading, and writing skills that students learn in high school. The SAT is offered worldwide multiple times every year, and students can choose to take it multiple times and report their highest score to colleges.*

### **Tychr's SAT Preparation Module**

- ☒ **20 full length practice tests**
- ☒ **100 hours of instructions from SAT Experts**
- ☒ **Unlimited Doubt clearing sessions**
- ☒ **Interactive score reports**
- ☒ **Unique satisfaction guarantee**

## **WHAT IS ACT?**

*The ACT is a standardized test used by American universities to assess students' readiness for college. It is developed and published by the ACT nonprofit. The ACT is designed to test fundamental math, reading, data analysis and writing skills that students learn in high school and will use in college. The ACT is offered worldwide multiple times every year, and students can take it as many times as they wish to.*

### **Tychr's ACT Preparation Module**

- ☒ **11 full length practice tests**
- ☒ **1200+ practice questions**
- ☒ **6 hours of refresher sessions**
- ☒ **Interactive score reports**
- ☒ **Unique satisfaction guarantee**

# ADVANCED PLACEMENT

*The College Board's Advanced Placement (AP) program gives students the opportunity to take college-level courses while still in high-school. The program began in 1956 to help students better prepare for college. Today, about 2.8 million high-school students take AP courses every year.*

*Students can take AP courses in a range of subjects. Each course is roughly at the level of an introductory college course, and many U.S. colleges offer course credit for them, which means that students with sufficiently high AP scores do not need to repeat those classes in college. AP courses can also help with admissions, help students develop college skills, and allow them to try out different fields before settling on a specialization.*

## Why Choose Tychr AP Module

- ✓ **Individualised Classes**
- ✓ **Tutoring in over 20 AP Subjects**
- ✓ **Exam preparation guidance**
- ✓ **Practising AP style past paper questions.**
- ✓ **Peer discussions**
- ✓ **Qualified tutors to track progress**

# STUDENT TESTIMONIALS

“

Chemistry was never an easy subject for me. I always had problems understanding a few topics, especially Organic Chemistry. But with TYCHR's TEST methodology, I was able to study more systematically and in a way where I actually understood everything that I read and every test that I took.

**AHAN**  
IBDP CHEMISTRY HL

“

I was delighted to know that TYCHR's tutors not only helped me learn the topics, but they also guided me through my BM IA and EE. I am beyond grateful for their help.

**KAUSTUBH**  
IBDP BM

“

Hands down one of the best Math tutoring out there. I am extremely grateful for TYCHR's tutors help and guidance throughout my learning journey.

**SRI SAI**  
IBMYP MATHS

“

Physics was the toughest subject for me out of all my choices. It was a difficult one to crack. But then, I found out about TYCHR and I was beginning to become optimistic. I loved the fact that they were available whenever I needed their guidance and/or help.

**SANSKRUTI**  
IBDP PHYSICS HL

“

It was until I came across TYCHR's demo class that I needed tutoring. The constant availability of the tutors and their professional experience is highly appreciated as it is clearly reflected in their teaching methodology.

**REHAAN**  
IBMYP SCIENCE

“

I knew that accounts was just not for me when I came across the subject. While I still may not be interested in it.. TYCHR made it possible for me to understand it. It really helped me in the end.

**AARAV**  
IGCSE ACCOUNTS

# STUDENT TESTIMONIALS

“

Beyond the core education that we receive, so important to our experience is the environment where this is received. At TYCHR, classes are small and the education is personal. The teachers know their students and can tailor their efforts to individual student's needs. At TYCHR they provide a high quality, faith-based education in a family-type environment, successfully preparing students for their future education, growth and development.

**AAHIL**  
IBDP ECONOMICS HL

“

Tychr has been instrumental in achieving my academic goals. Now I have an in depth understanding of the IB Math curriculum and can confidently pursue a major in Mathematics at university.

**VENYA**  
IBDP MATHS AAHL

“

My transition from MYP to IB was made much easier, thanks to TYCHR. With the guidance of teachers at TYCHR, I was able to stay organised in terms of my academics. I credit my success to my teachers here at TYCHR.

**SPARSH**  
IBDP HISTORY SL

“

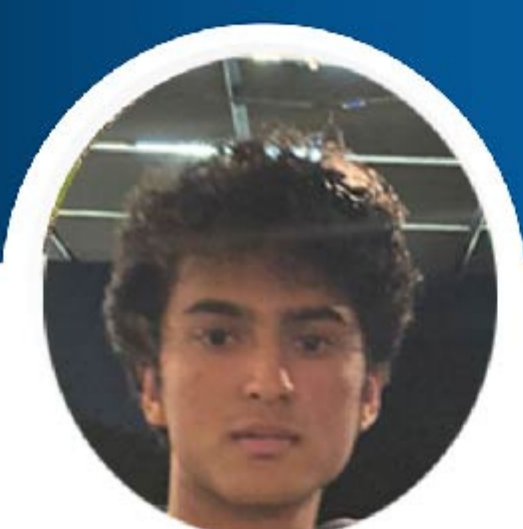

With the help of TYCHR and their guidance my journey becomes really easy going. With its special “TEST” methodology, it becomes very helpful for me to grab each and every topic very clearly and I was able to clear my concepts.

**ARJUN**  
IBDP BUSINESS MANAGEMENT HL

“

One thing that an IB student lacks the most is Time. Due to TYCHR's online facilities like live classes and recorded lectures, I was able to work around my schedule and learn and study according to my liking. The online videos and tests, that offer a visual and dynamic way of learning greatly improved my understanding of the subjects and helped me become more confident in my academic abilities.

**SAHAAT**  
IBDP BIOLOGY HL

“

In a class of over 30 people, It's impossible to understand what the teacher is explaining. At TYCHR, I received individual attention of my teachers, that made a friendly Student-Teacher Environment. The Online Doubt Clearing Sessions and Systematic Test Plans prepared me, not only for my Board exams, but also for my formatives and summatives throughout the year, and helped me get consistent grades.

**ROHIT**  
IBDP CHEMISTRY HL
